

Protect your family and investment with The Travelex Travel Select Plan

Why do I need travel insurance?

These days, travel insurance is much more than just protecting your savings against travel complications. It goes further to protect your family and traveling companions against unfortunate events that may happen during your trip such as:

- Your (adopted, once legal guardianship is established) child becomes ill and needs emergency medical treatment. (Most medical insurance plans do not cover outside the US.
- Tour luggage is lost, stolen, damaged or delayed for 12 hours or more
- Your flight is canceled or delayed for 5 hours or more, resulting in loss of non-refundable hotel and tour expenses
- A family member falls ill or passes away resulting in trip interruption or cancellation.
